The screenshot displays three main sections for downloading Microsoft Edge:

- Beta Channel:** Labeled "Offline deployment packages". It states, "The Beta channel is the best choice for a full pilot within your organization. It will be available in the coming months." Below this is a grey button that says "Coming soon for Windows and macOS".
- Dev Channel:** Labeled "Offline deployment packages". It states, "The Dev channel is ready for enterprise evaluation and feedback now. It updates every week and contains the latest improvements and fixes." Below this is a blue "Download" button for "64-bit MSI for Windows". A dropdown menu is open, showing "ALSO AVAILABLE FOR" with options for "32-bit MSI for Windows" and "PKG for macOS", each with a download arrow icon.
- Policy File:** Labeled "Configure and manage updates". It states, "Download the policy files you need to configure Microsoft Edge and manage updates on Windows 7/8/8.1/10. The file also has an example file for configuring Microsoft Edge on MacOS." Below this is a blue "Download" button for "Policy templates ZIP file".

At the bottom of the page, there are links for "Get more info" and "Management of".
